## Order Cancelled Mode

When a payment is cancelled and the default behaviour after a payment fails for some reason is to display an error message. If you do not wish to display this page and you want the order to be automatically cancelled and the shopping cart to be refilled with the items from the failed order instead then tick this Checkbox.

## Delete Cancelled Orders

Where an order has been cancelled as above the tick this checkbox to also automatically delete the order.

## Configuration Settings

### Configure - Laybuy [back to payment method list](#)

Advanced

Operation Settings | Configuration Settings

For plugin configuration follow these steps:

1. Log into either the [Laybuy sandbox](#) or [Laybuy production](#) merchant account.
2. On the main menu select **Account**.
3. Find your 'Merchant ID' and 'Authentication Key' in the section **API Details** then copy and paste it below in appropriate fields.
4. Save the configuration.

Use sandbox

Merchant ID

Authentication Key

Test Mode

Public Key

Private Key

### Use Sandbox

Select this option to use Sandbox Mode. In this case you need to Sandbox Merchant account to check payments and transactions. See <https://sandbox-dashboard.laybuy.com/merchant>

### Merchant ID and Authentication Key

The above Merchant Settings are provided by Laybuy Merchant Administration.

### Test Mode

Selecting this option allows you to test the plugin and log process information in the system log.

De-select the nopCommerce Test Mode to use the plugin in live payment mode.

### Purchased Licence Keys

When you first install the plugin Demonstration keys will be automatically generated. The plugin can be operated in demo mode for 14 days. The purchase licence keys will be provided via email normally within 1 day after purchase. The purchase licence keys can then be entered as follows:

#### Public Key

This is the plugin licence public key provided. When you first install the plugin a Demonstration key will be saved. Change this value to the Public key supplied in the email when received.

#### Private Key

This is the plugin licence public key provided. When you first install the plugin a Demonstration key will be saved. Change this value to the Private key supplied in the email when received.

## Enable Plugin

### Configure Laybuy Gateway - Enable / Disable

#### Payment methods

## Laybuy Merchant Administration Website

The Laybuy system has an administration website where you can:

- Monitor sandbox test and production transactions
- Search and Display:
  - Transactions
  - Orders

The following screens are from the Laybuy system. See <https://sandbox-dashboard.laybuy.com/merchant>

### Dashboard

The dashboard provides an overview of all transactions. Use the date selector to customise the date selection.

### Orders

The completed page list all transactions.

The screenshot shows the Laybuy merchant administration dashboard for George Harrison. The top navigation bar includes the Laybuy logo, links for 'How it Works', 'Shop Directory', and 'For Merchants', and a user profile icon. The main header displays the merchant name 'George Harrison' and a 'NEW Update Tile Image' button. The dashboard navigation menu includes 'Dashboard', 'Transactions' (selected), 'Reports', 'Account', 'Resource Library', and 'Contact Us'. A search bar is located on the right. The main content area displays a table of transactions with the following data:

DATE	TIME	CUSTOMER	MERCHANT REFERENCE	TRANSACTION ID	ORIGIN	TOTAL
19/09/2023	07:09:09	John Smith	1066	205711		\$40.00
14/05/2021	19:02:41	Andrew Andrew	4037	155849		\$30.00
11/05/2021	21:34:19	Andrew Andrew	4036	155583		\$80.00
11/05/2021	14:09:49	Andrew Andrew	1804	155557		\$499.00
11/05/2021	13:16:49	Andrew Andrew	1802	155555		\$489.30
11/05/2021	12:02:06	Andrew Andrew	2355	155550		\$299.00
11/05/2021	11:57:19	Andrew Andrew	2354	155549		\$269.00
